Rainbow Babies Unite

Raising Awareness of Reproductive Loss
and Infertility and Sharing Hope

ABOUT

Rainbow Babies Unite was created in April of 2022 with the goal of sharing hope and raising awareness of pregnancy loss, infant loss and infertility. As a Journalist and a mother, Sariah strives to tell stories that will fill others with hope and help them through their journey. By providing not only these stories but also expert interviews and resources for mental health and for during and after a loss, she hopes to help break the silence and show these moms/families that they are not alone.
